**LATEST NEWS**  
**Provisional Date**  
**17<sup>th</sup> & 18<sup>th</sup> September 2021**

As we are all aware of the restrictions that Hotels and restaurants are under. In England, the full restrictions are not planned to be lifted until June 21<sup>st</sup>. We were waiting until yesterday/Friday for the Welsh First Minister to update the guidelines in Wales. Unfortunately, no more information has been issued, so we have no alternative but to postpone and request a new date from the hotel, and we have provisionally reserved the 17<sup>th</sup> & 18<sup>th</sup> September '21

We would be grateful if you could let us know if you can make the new date, so that we can start to look at numbers for the hotel. And if you can not make the date we would like to offer you a full refund.

**WE HAVE REQUESTED A NEW DATE**  
**For June 2022**

Tour de Bretagne Update/Postponement for another year.

We are aware that very soon you will want to make travel plans. Whilst we have no wish to postpone yet again, given all the information and restrictions at the moment we have no alternative but to postpone the Tour de Bretagne until 2022. We have written to the hotel asking for a date in 2022, and will forward this as soon as possible.

The French government currently have travel and curfew restrictions (from 6pm to 6am).

As yet, they have not given a date for any relaxation of curfew restrictions, or when the hotels and restaurants will re-open. In France, COVID cases are still on the increase in certain regions and have gone into local and weekend lockdowns. Whilst in the UK, Government advice is that holiday travel is possible from 17 May. It may be that we will require a vaccination passport. The EU and the French government are discussing this requirement and have a negative test prior to 72hrs prior to departure.
