The Art of Making People Welcome

DOMAINE DU CHÂTEAU DES PÈRES IS A PLACE OF ART, CULTURE AND GOOD FOOD, OFFERING A VENUE FOR BOTH EVENTS AND TOURISM.

It's a place where meetings can go hand in hand with a nature escape. Turn your seminar into an opportunity to get back to nature for a while. Our 31 hectare estate provides the perfect surroundings for working with your teams.

Our fabulous Sculpture Park is right on the doorstep, with the grounds of this 18th century Château boasting permanent exhibitions of both figurative and monumental sculptures.

Domaine du Château des Pères is keen to promote manual work through art and make it more accessible to everyone. Visitors can enjoy being in a place of constant change, that nevertheless remains faithful to its values: transmission, conviviality, well-being and innovation.
